Relax at Tenz

Dive into the refreshing waters of our **own hotel swimming pool**.

The **large outdoor pool with extensive sunning grounds** is in a wonderful, quiet location.

Embedded in fields and fruit gardens in the middle of expansive open spaces, the pool offers a heavenly place to relax. Enjoy your spot, where the sun just shines longer.

But you can also take a refreshing dip directly in the hotel in our indoor pool. It has a **beautiful view outside** and a **Finnish sauna**, where you are certain to find time for yourself!

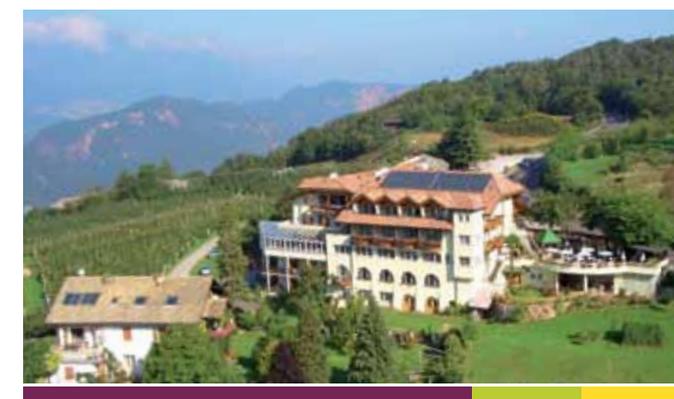

Experience Nature

A pleasant stroll through our **own gardens and parks** is also very relaxing!

On **our vast hillside terrace** you can walk through orchards and unspoiled bushes and trees. Embedded therein lies our small **romantic natural lake**.

We recommend taking a walk in the dewy mornings or in the evening with the light of the setting sun. Listen to the birds singing and enjoy the warm rays of the sun.

Children will always find a **place to play in our extensive grounds!** Our little guests should feel comfortable in the middle of nature and be able to play to their hearts' content.

... because the sun simply shines longer in **Tenz**.
